## About Me

I'm a simple, easy going person. I grew up in the Pacific Northwest and have always had a deep passion for nature and the great outdoors... Growing up camping, backpacking, hiking and exploring everywhere I could. Currently I work with a lot of artists co-creatively to build them unique websites that will really showcase their work or products in a user friendly manner. I have a lot of fun doing what I do.

## Experience

### MAUTH STUDIOS - FREELANCE INTERACTIVE MULTIMEDIA DESIGNER [2005-PRESENT]

I create Flash, HTML, CSS, and CMS website as well as update existing websites. I animate website headers, galleries, banners and advertisements. I also provide anything photography related from headshots to products to retouching.

### ADLINK CABLE ADVERTISING - INTERACTIVE MULTIMEDIA DESIGNER [2006-2008]

Creating interactive presentations and maintaining websites along with designing online and print marketing ads and campaigns. Also worked on modifying themes for our intranet Sharepoint CMS.

### WIREIMAGE - PHOTO EDITOR [2005-2006]

Photo editor and retouch artist for award shows, red carpet events, Grammys, Golden Globes, SAG awards, and other Hollywood after parties and events.

## Education
